

Bali International Regrouping

Dear Journeyman

The First Annual Sector One Region International Regrouping is being held in Bali in 2008. From 5 pm the 1st August to 10 am on the 11th August 2008.

Tiger will be presenting a specialized 9 day course on “Regrouping of your flow of spiritual energy”. Completely opening the energy of your “needs”, your “aspirations” and the “journey” that holds your happiness. Expand and clarify the flow of energy through your thrust and service through your policies and your attitudes to life. You have no limitation when you are clearly working with your own energy and the love and respect you have inside.

The regrouping will be held at the Gaia - Oasis in Tejakula Bali. Renowned for its friendly and easy-going atmosphere, Gaia - Oasis is a 5 star boutique venue, a unique living of Bungalows nestled on the shore, tucked amongst palm groves on the north side of Bali Island. The venue is a dedicated wellness centre and offers healing massage and herbal techniques and treatments that can be taken in your room or in the open air garden. We suggest that you book early to secure your place as Gaia - Oasis is a small intimate venue with only 35 places available.
